

**Cindy Breilh**

Director of Advancement

Cindy Breilh serves as Director of Advancement for Medical Teams International where she leads the Philanthropy Team, focused on major, mid and foundation portfolios. Headquartered in Tigard, OR, and based in Redmond, WA, Cindy has a team with staff in Washington, Oregon and California.

Cindy's career represents many successful years in fundraising—most recently serving at World Vision US as Executive Director for the National Leadership Council, and before that as National Director for Women of Vision. Her experience in fundraising prior to World Vision includes launching a major gifts initiative for Agros International and seven years as the Director of Marketing and Development for Bellevue Christian Schools.

Cindy has a B.S in Nursing from the University of Washington and did her graduate work in business. As a nurse educator and entrepreneur, she founded Video Education Associates, providing healthcare education to nurses and consumers. Cindy has served on a number of non-profit boards including Healing Hands of Joy, the Institute for Business Technology and Ethics, Bellevue Christian Schools and Washington Engage, an anti-human trafficking organization.
