

## Kathy Surace-Smith

Vice Chair, Fred Hutchinson Cancer Research Center

Kathy Surace-Smith is vice president, general counsel and corporate secretary of NanoString Technologies Inc., a Seattle-based public company that provides life-science tools for translational research and develops molecular diagnostics.

Prior to that, she was vice president, general counsel and corporate secretary of SonoSite Inc, a NASDAQ-listed medical device company. She also served as general counsel to Metawave Communications, a telecommunications equipment provider, as well as several companies in Europe. She began her career in private practice with the global law firm Gibson, Dunn & Crutcher.

In addition to serving on the Fred Hutch board of trustees, she serves on the boards of United Way of King County (including serving as board chair in the 2016-17 fiscal year), YWCA Seattle | King | Snohomish and Tateuchi Center, a proposed performing arts center in Bellevue.
